

ASX Announcement

5 August 2014

TAURUS FACILITY EXTENSION

Resource and Investment NL (ASX: **RNI**) is pleased to announce that a \$2.8 million capital repayment previously due on 7 August 2014 under the terms of the Company's finance facility with Taurus Resources No. 2 Fund (See ASX announcement 31 January 2014) has been extended for three months to 7 November 2014 by mutual consent.

The purpose of the extension is to enable RNI to allocate those funds to the Company's priority drilling and exploration programs in Western Australia's Bryah Basin, including the Forrest copper-gold discovery.
