EXPLANATORY STATEMENT

1. Introduction

This Explanatory Statement has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at The Celtic Club, 48 Ord Street, West Perth, Western Australia on 27 November 2015 at 11.00am (WST).

This Explanatory Statement has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the Annual General Meeting of the Company, and provides Shareholders with the information required to be provided to Shareholders by the Corporations Act and the Listing Rules.

2. Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Statement carefully before deciding how to vote on the Resolutions.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a "proxy") to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

3. Annual Report

The Corporations Act requires the Annual Report to be laid before the Company's Annual General Meeting. There is no requirement in either the Corporations Act or the Constitution for Shareholders to approve the Annual Report.

Shareholders will be offered the following opportunities:

- (a) discuss the Financial Report (which includes the financial statements and Directors declaration), the Directors' Report and Auditor's Report;
- (b) ask questions or make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman of the Meeting about the management of the Company, or to the Company's auditor about:

- (d) the preparation and content of the Auditor's Report;
- (e) the conduct of the audit;
- (f) accounting policies adopted by the Company in relation to the preparation of the financial statements; and

- (g) the independence of the auditor in relation to the conduct of the audit,
maybe submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Adoption of Remuneration Report

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the Annual Report of the Company for the financial year ending 30 June 2015.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

4.2 Voting consequences

Under recent changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

4.3 Proxy Restrictions

Shareholders appointing a proxy for Resolution 1 should note the following:

If you appoint a member of the Key Management Personnel as your proxy

If you elect to appoint a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that member, ***you must direct the proxy how they are to vote***. Undirected proxies granted to these persons will not be included in any vote on Resolution 1.

If you appoint any other person as your proxy

You ***do not*** need to direct your proxy how to vote, and you ***do not*** need to tick any further acknowledgement on the Proxy Form.

5. Resolution 2 – Re-Election of Nanette Anderson as a Director

Listing Rule 14.4 and Article 69.2 of the Constitution requires any Director appointed as an addition to the existing directors holds office only until the next annual general meeting of the Company and is then eligible for re-election.

In accordance with the Constitution, Ms Anderson who was appointed as Director on 6 July 2015 will accordingly retire as a Director at this meeting and being eligible, offers herself for re-election as a Director of the Company.

Ms Anderson was formerly the Managing Director of ASX-listed Southern Gold Limited, where she was instrumental in securing finance to develop the Cannon Gold Project in Western Australia through an agreement with Metals-X Limited. With a background in geology, Ms Anderson has been involved in exploring and developing resource projects for 18 years in Australia and South East Asia. She is a member of the Australian Institute of Company Directors and the Australian Institute of Mining and Metallurgy.

Ms Anderson is considered to be an independent Non-executive Director.

The Board (excluding Ms Anderson) recommends that Shareholders vote in favour of Resolution 2. The Chairman of the meeting intends to vote undirected proxies for Resolution 2.

6. Resolution 3 – Re-Election of Albert Thamm as a Director

Listing Rule 14.4 and Article 73.1 of the Constitution requires that at an annual general meeting, one-third of the Directors for the time being shall retire from office. A retiring Director is eligible for re-election.

In accordance with the Constitution, Mr Albert Thamm retires as a Director by way of rotation and being eligible, offers himself for re-election.

Mr Thamm has 26 years' experience in exploration and mining project development in Australia, Africa and South America. He holds Bachelors, Honors and Masters Degrees in Geology and is a fellow and chartered professional of the Australasian Institute of Mining and Metallurgy and a fellow of the Society of Economic Geologists (USA).

Mr Thamm is considered to be an independent Non-executive Director.

The Board (excluding Mr Thamm) recommends that Shareholders vote in favour of Resolution 3. The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 3.

7. Resolution 4 – Issue of Shares under Listing Rule 7.1A

7.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The

Company is an eligible entity with a market capitalisation of approximately \$20m as at the date of this Notice.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) below).

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 4.

7.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the company.

The Company, as at the date of the Notice, has on issue Shares and unlisted options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of shares on issue 12 months before the date of issue or agreement:

- (1) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (2) plus the number of partly paid shares that became fully paid in the 12 months;
- (3) plus the number of fully paid shares issued in the 12 months with Shareholder approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without Shareholder approval;

(4) less the number of fully paid shares cancelled in the 12 months.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rule 7.1 or 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has on issue 992,672,071 Shares and therefore has a capacity to issue:

- (i) 141,728,310 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being received under Resolution 4 99,252,207 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) above).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

7.3 Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

7.4 Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, information is provided as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of listed Options, only if the listed Options are exercised). There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

- (c) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of the Notice.
- (d) The table also shows:
 - (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
 - (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2	Dilution			
	Number of Shares issued under 10% placement capacity	Funds raised based on issue price of \$0.021 (current price)	Funds raised based on issue price of \$0.0105 (50% decrease)	Funds raised based on issue price of \$0.0315 (50% increase)
Current Variable 'A' Shares 992,672,071	99,267,207	\$2,084,611	\$1,042,306	\$3,126,917
50% increase in current Variable 'A' Shares 1,489,008,107	148,900,811	\$3,126,917	\$1,563,459	\$4,690,376
100% increase in current Variable 'A' Shares 1,985,344,142	198,534,414	\$4,169,223	\$2,084,611	\$6,253,834

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No Convertible Securities (including any Convertible Securities issued under the 10% Placement Facility) are converted into Shares before the date of the issue of the Equity Securities;
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Convertible Securities, it is assumed that those Convertible Securities are converted into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.021, being the closing price of the Shares on ASX on 23 October 2015.
- (e) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (f) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration in relation to costs associated with the acquisition or maintenance of exploration and mining licences. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or

- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards exploration and evaluation of the Company's existing copper / gold tenements.
- (g) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.
- (h) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
 - (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- (i) The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.
- (j) Further, if the Company is successful in acquiring new resources assets or investments, the allottees under the 10% Placement Facility may be the vendors of the new resources assets or investments.
- (k) The Company previously obtained approval under Listing Rule 7.1A on 28 November 2014. Since then the Company has issued 49,990,519 Equity Securities pursuant to the previous approval and during the 12 month period preceding the date of the Meeting, being on and from 28 November 2014, the Company issued a total of 708,786,408 Equity Securities which represents approximately 133% of the total diluted number of Equity Securities on issue in the Company on 28 November 2014, which was 531,753,578 Equity Securities.
- (l) In accordance with the requirements of Listing Rule 7.3A.6, details of the issue of Equity Securities during the 12 months preceding the date of the Meeting are included at Schedule 2 of this Notice.
