9 December 2013

Please find below an updated Competent Person's Statement for the ASX announcement of 4 December 2013;

Competent Person's Statement

The information released in this announcement that relate to exploration results and geo-metallurgy is based on information compiled by Mr Albert Thamm, who is a Fellow and Chartered Professional of the Australasian Institute of Mining and Metallurgy. Mr Thamm is Director of Resource and Investment NL and has sufficient experience which is relevant to the style of mineralisation and types of deposit under consideration and to the activities undertaken to qualify as a Competent Person as defined in the 2012 Edition of the Australasian Code of Reporting of Mineral Resources and Ore Reserves. Mr Thamm consented to the inclusion in the release dated 4 December 2013 on the matters based on information in the form and context in which it appears.

The information that relate to exploration results was previously issued with the written consent of Mr Thamm in the Company's release to the ASX on 10 October 2013. The Company confirms that;

- (a) the form and context in which Mr Thamm's findings are presented have not been materially modified;
- (b) it is not aware of any new information or data that materially affects the information included in the 10 October 2013 ASX announcement and that all the material assumptions and technical parameters underpinning the exploration results in the 10 October 2013 ASX announcement continue to apply and have not materially changed.
