IMPORTANT INFORMATION

This supplementary prospectus (**Supplementary Prospectus**) has been issued by Auris Minerals Limited (formerly RNI NL) (ABN 77 085 806 284) (the **Company** or **Auris**) and was lodged with ASIC and ASX on and is dated 1 June 2017.

Neither ASX nor ASIC takes any responsibility for the contents of this Supplementary Prospectus.

This Supplementary Prospectus contains details of changes to, and supplements, the Prospectus (**Prospectus**) dated 15 May 2017 issued by the Company in relation to the offer (**the Offer**) of new Options (**Loyalty Options**) pursuant to a pro rata non-renounceable entitlement issue offered to Eligible Shareholders on the basis of one (1) parcel of Loyalty Options (**Parcel**) comprising:

- one (1) Tranche 1 Loyalty Option, at an issue price of \$0.002; and
- one (1) Tranche 2 Loyalty Option, at an issue price of \$0.002,

for every ten (10) Shares held by the Shareholder at 5.00pm WST on 23 May 2017 (**Record Date**).

This Supplementary Prospectus was issued voluntarily by the Company to supplement the disclosure in the Prospectus and must be read together with the Prospectus. Other than as set out below, all details in relation to the Prospectus remain unchanged. To the extent of any inconsistency between this Supplementary Prospectus and the Prospectus, the provisions of this Supplementary Prospectus will prevail. Definitions (often with the first letter capitalised) appear in the body of this Supplementary Prospectus (refer to bold type or quotation marks). Unless defined herein or otherwise indicated, terms defined and used in the Prospectus have the same meaning in this Supplementary Prospectus.

The Company has issued both a printed and electronic version of the Prospectus and this Supplementary Prospectus and the electronic versions of both may be viewed at www.aurisminerals.com.au. The Company will send a copy of this Supplementary Prospectus to all Eligible Shareholders of the Company.

The Prospectus and this Supplementary Prospectus contain detailed information about the Company and should both be read in their entirety before completing an Entitlement and Acceptance Form.

The directors consider an investment in the Shares to be speculative and recommend that you consult your financial adviser as to the course you should follow with respect to the New Shares. No securities will be issued on the basis of the Prospectus or this Supplementary Prospectus later than 13 months after 15 May 2017.

TIMETABLE AND CLOSING DATE UNCHANGED

The timetable contained in the Prospectus has **not** been varied by this Supplementary Prospectus.

The Closing Date for the Offer remains 5:00pm (Perth time) on 7 June 2017. Subject to ASX Listing Rules, the directors may, in their absolute discretion, extend this Closing Date (with or without notice).

AMENDMENTS TO PROSPECTUS

Additional Loyalty Option Offer

For the sake of clarification, the penultimate paragraph of Section 2.3 of the Prospectus is amended to read:

"If the number of Additional Parcels of Loyalty Options applied for by Eligible Shareholders exceeds the number of Parcels of Loyalty Options in the Shortfall, the Company will scale back the applications for Additional Parcels of Loyalty Options on a pro-rata basis. If there is a scale back of these applications because the Additional Loyalty Options Offer is oversubscribed, the number of Additional Parcels of Loyalty Options an applicant will receive will be less than the number for which the applicant applied. If the number of Additional Parcels of Loyalty Options allotted to an applicant is less than the number applied for, the applicant will be bound to accept the lesser number and surplus application money will be refunded in full without interest."

Shortfall Offer

Section 2.4 of the Prospectus is amended to read:

"If any Shortfall remains after the satisfaction of all applications for Parcels of Loyalty Options by Eligible Shareholders (including all applications under the Additional Loyalty Options Offer) (**Remaining Shortfall**), Debbie Fullarton, Robert Martin and Bronwyn Barnes must, pursuant to each of their respective Underwriting Agreements with the Company (see Section 8), each apply and pay in full for one third of the Remaining Shortfall at an issue price of \$0.004 for each Parcel of Loyalty Options in the Remaining Shortfall (**Remaining Shortfall Loyalty Options**), being \$0.002 for each of the two Loyalty Options in each Parcel of Remaining Shortfall Loyalty Options which is the same issue price for Parcels of Loyalty Options under the Offer and the Additional Loyalty Options Offer. Pursuant to Exception 3 of ASX Listing Rule 7.2, the Directors, as part of the Offer, reserve the right to issue the Remaining Shortfall Loyalty Options within 15 days after the Closing Date to ensure that the Remaining Shortfall Loyalty Options can be issued to the underwriters within the period required to comply with Exception 2 of ASX Listing Rule 10.12."
